

Direct Debit Scheme 2017-2018

STEP 1

In order to create a Direct Debit plan tailored to your requirements we will take the information from this form and create a personal monthly plan for you. You can also work this out yourself to find out what your monthly payments would be. The cost to join our Direct Debit scheme is £24.00 per academic year. There are no additional costs to pay. If you are unsure how to complete this form, please come to our registration desk and we will assist you.

STEP 2

Once your plan has been created we will send you your Direct Debit mandate by email to complete with your bank account details. This will also confirm your monthly payment amount. When this has been completed, a confirmation letter will be sent to you detailing your payments. Ten equal payments will be taken on the 5th of each month starting on 5th September and ending 10 months later on the 5th June. Please ensure you have enough funds in your account.

I would like to create a monthly payment plan from 5th September 2017 until 5th June 2018. I understand this is a fixed term 10-month plan and my child will remain at Sharpe Academy for the full academic year. I agree to give 3 months notice in writing if I want to opt out of this Direct Debit plan.	

Please write the appropriate monthly payment into the right hand column of the table(s) below to indicate the class(es) you would like to pay for via our Direct Debit plan. The monthly cost of each class is given alongside the class name. Prices have been worked out for THREE terms, which is ONE academic year at Sharpe Academy.
