Peru

SHARPIE WELCOME SONG

Welcome to our weekly show,
Let's start with a smiling hello.
Wherever you're from,
Come and join in the fun,
And around the world we'll go.

Let's explore the world together,
We can sing and dance all day.
We can hunt for buried treasure,
We can spread our wings and fly away.

If I close my eyes I can see,
All the places I long to be.
I will open the door to my mind,
To see what I can find.

Let's explore the world together,
We can sing and dance all day.
We can hunt for buried treasure,
We can spread our wings and fly away.

Let's all shake our right hand,
Now lets shake our left.
Wiggle all our body,
Now lets shake our legs.

Let's all jump together,
One, Two, Three.
Now let's be an aeroplane,
Come fly away with me.

MONKEY POEM

I'm a cheeky monkey,
Sitting in a tree.
I like to play around,
And eat bananas for my tea.

MONKEY WARM-UP

If I could be a monkey every day,
I'd say A–E–I–O–U-U–A,
A–E–I–O–U-U–A,
A–E–I–O–U-U–A,
If I could be a monkey every day,
I'd say A–E–I–O–U-U–A,
A–E–I–O–U all day long.

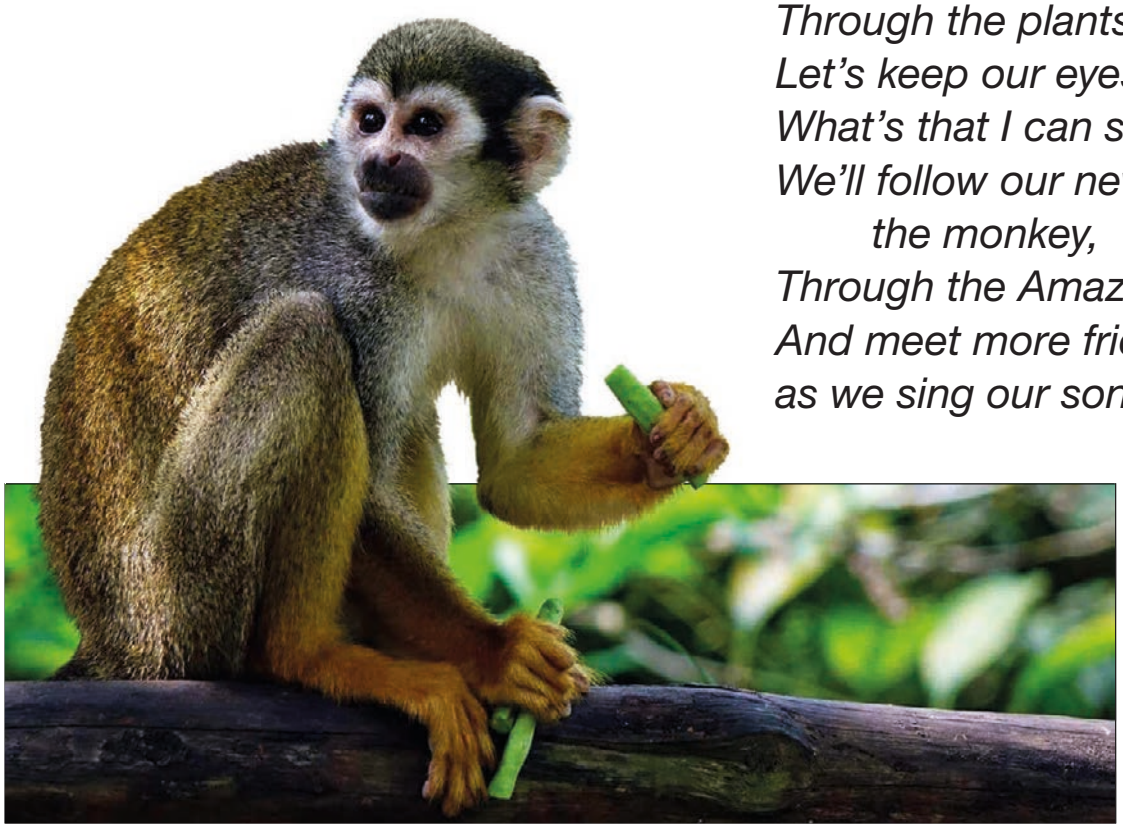
ADVENTURE IN THE JUNGLE

Adventure in the jungle,
Through the plants and trees.
Let's keep our eyes wide open,
What's that I can see?
We'll follow our new best friend
the monkey,
Through the Amazon,
And meet more friends,
as we sing our song.

Keep looking up above you,
Lots of creatures here can fly.
There's bats and moths
and butterflies,
And birds up in the sky.
The jaguar and puma,
Sneak around at night.
They creep along the branches,
Look round with eyes so bright.



Adventure in the jungle,
Through the plants and trees.
Keep our eyes wide open,
What's that I can see?
We'll follow our new best friend
the monkey,
Through the Amazon,
And meet more friends,
as we sing our song.

Down here by the river,
There's lots of things to find.
Tree frogs in the branches,
That's where Snake likes to hide.
Swimming through the water,
I spy a dorsal fin.
With it's beautiful pink colour,
It's the Amazon dolphin!

Adventure in the jungle,
Through the plants and trees.
Let's keep our eyes wide open,
What's that I can see?
We'll follow our new best friend
the monkey,
Through the Amazon,
And meet more friends,
as we sing our song.

STORY TIME

Once upon a time there was a little monkey. He lived in the Amazon rainforest. Every day he went on adventures and explored the jungle, but he always made sure he was home in time for tea, especially if it was his favourite – bananas!

But one day, the little monkey wandered too far away from home. He was lost!

Oh no! That's not good is it Sharpie!

Monkey looked around to see if anyone could help him. He saw some bright eyes peeking through the leaves, it was a baby jaguar! "Can you help me find my way home?" said Monkey. "Yes" said Jaguar, "Go down to the river and find Dolphin, she knows everything!" "Thank you!" said the little monkey, and he followed the path down to the river.

He looked around, and he saw some long green bouncy legs. "Are you the dolphin?" he said. "No!" said the green creature "I am a tree frog! Dolphin's over there, look there's her fin!" "Thank you!" said Monkey to the frog.

He waved at the dolphin. "Hello! I'm Monkey and I'm lost, do you think you could help me get home, please?" "Well seeing as you asked so nicely, of course I can!" "Hop on my back and I'll give you a ride."

And Dolphin swam along the Amazon, carrying little Monkey on her back. "Here we are!" said Dolphin.

Through the trees, Monkey could see Mummy Monkey! "Bye Dolphin, thank you!" he said, as he ran into his mother's arm's. "Where have you been you cheeky little Monkey? You're only just in time for tea, and we're having... bananas!"

CRAFT TIME

To create your own jungle, you will need:

- A plain sheet of paper (you can use Page 7 from this pack if you like)
- Some glue
- Coloured paints, pens or pencils
- Green and brown paper or cardboard from your recycling
- Leaves and grass from the garden

First, draw the outline of some jungle trees on your paper, or print Page 7 of this pack.

Then colour in the trees using your paints, pens and pencils.

Tear your green and brown paper or card into small peices. Glue some brown pieces to the jungle floor, and green pieces in the tree branches.

Finally, bring your jungle to life by sticking some leaves and grass in and around the trees.
