

SHARPE ACADEMY — LOCKDOWN 3 — ONLINE TIMETABLE — Weeks 5-8

We are hoping that we can return to our in-person timetable for the final 2 weeks of the spring term. This is to be confirmed.

This PDF gives full details of our revised Sharpe Online timetable for weeks 5-8 of the spring term, starting Monday 18th January 2021.

This timetable will continue until we can resume normal in-person classes. Now that the government has announced their 'road map' for coming out of lockdown, we hope to be back in person for the final 2 weeks of this term.

Timetable changes from weeks 1-4 have been kept to a minimum and most classes are the same. However, as our college students are returning to in-person classes from 8th March some changes have been unavoidable. Please do check your child's classes carefully.

LOCKDOWN CREDIT

As detailed in our COVID/Lockdown Policy, no credit is available for the first 14 days of online classes. After 14 days (*from Monday 1st February*), a credit of 15% per online class will be applied to your summer term fees. This will again cost us over £3,000 in the summer term. If you would like to waive your spring term credit, please do let us know. You are in no way obliged to do so but if you are in a position to, any help would be gratefully appreciated.

SHARPE ACADEMY NOTICE POLICY

Sharpe Academy requires the following written notice if an enrolled student wishes to leave the Academy for any reason:

Half a Term's notice in writing is required to leave the Academy. Notice must be received within the first 5 weeks of a term, to leave at the end of that term. For the spring term, this deadline is **Sunday 7th March 2021**. Half a term's fee will be charged for notice given outside of weeks 1-5, for example during weeks 6-10 of a term or during the holidays before a term begins. We do not accept part-term registrations, therefore students will not be permitted to take part in only half a term's classes. You will be required to pay either half a term's fee and leave with immediate effect or pay for the full term and leave at the end of that term.

Students who have committed to the full academic year: Notice must be received no later than Friday 16th April 2021, to leave at the end of the summer term in July 2021. If a student who has committed to the full academic year leaves before the end of the summer term in that academic year, any and all class discounts awarded to that student must be re-paid in full, in addition to any standard notice fees.

Our Notice Policy continues to apply to online classes.
